

May 17, 2018

We are excited to let you know about our new Champions Parent Portal that makes it easier for families to enroll, update their schedule, or access their account information. There have been several improvements to the system but there are a few we know our families will be most excited to see. They will be able to quickly enroll in 6 simple steps, enroll multiple children at once, and be able to connect when they are on the go with the mobile devices.

Champions before- and after-school programs give busy families peace of mind. Parents like knowing their kids are in a safe, educational, and fun environment, even when school's not in session. We'd like to extend that peace of mind to families who are not yet attending Champions.

We're excited to make the Champions experience available to all your families and reach out to new families that will be joining you this Fall. We are hoping you'll help us spread the word and help guide your families to our new Enrollment Portal by linking our website to your school webpage. This is a great way to share with families that your school has a great option for their children before- and after-school.

Interested families can register at www.discoverchampions.com.

Best regards,

Sam Smith
Champions Area Manager

The logo for Champions Before- and After-School is located in the bottom right corner. It features the word "CHAMPIONS" in a bold, white, sans-serif font on a red rectangular background. Below this, the words "BEFORE- AND AFTER-SCHOOL" are written in a smaller, white, sans-serif font. The entire logo is set against a larger red background with a subtle pattern of overlapping circles.
